MADROÑO, Vol. 65, No. 4, pp. 208–209, 2018

MADROÑO VOLUME 65
TABLE OF CONTENTS

Alleman, Diana (see Jacobsen, Anna L.)
Barrows, Cameron W. (see Heintz, James G. C.)
Bartosh, Heath (see Potter, Daniel)
Bell, Duncan S. (see Zika, Peter F.)
Bittman, Roxanne (see Potter, Daniel)
Bohlman, Gabrielle N., Emma C. Underwood, and Hugh D. Safford, Estimating biomass in California chaparral and coastal sage scrub shrublands 28
Brennan, Sean, Paul S. Laris, and Christine M. Rodrigue, Coyote brush as facilitator of native California plant recovery in the Santa Monica Mountains 47
Burge, Dylan O., Common persimmon (*Diospyros virginiana* L.), a naturalized, potentially invasive species in the state of California 96
Burge, Dylan O., et al., Conservation genetics of the endangered Del Mar manzanita (*Arctostaphylos glandulosa* subsp. c*rassifolia*) based on RAD sequencing data 117
Cantley, Jason, and Bob Patterson, Review of *Plants of the World. An Illustrated Encyclopedia of Vascular Plants* by M. J. M. Christenhusz, M. F. Fay, and M. W. Chase 101
Case, Erica J. (see Olliff-Yang, Rachael L.)
Charlet, David Alan, Survival of *Pinus washoensis* (Pinaceae) following fire on Babbitt Peak, Sierra County, California 168
Cobbold, Stephanie M., and Ryan P. O'Donnell, Noteworthy collection from Arizona 4
Dangl, Gerald (see Potter, Daniel)
Davis, Stephen D. (see Jacobsen, Anna L.)
Foster, Benjamin G., and Michael A. Vincent, A new taxonomy for *Trifolium variegatum* and its relatives 141
Gross, LeRoy J. (see Zika, Peter F.)
Grossenbacher, Dena, Ryan Briscoe Runquist, and Joel Smith, Self-fertilization and herbivory in a rare alpine plant in California, *Claytonia megarhiza* (Montiaceae) 22
Heintz, James G. C., Lynn C. Sweet, and Cameron W. Barrows, Microhabitat characteristics and impacts of invasive species for the triple-ribbed milkvetch (*Astragalus tricarinatus* [Fabaceae]) in the San Bernardino Mountains, California 175
Hickman, Ken, and John Rawlings, Noteworthy collection from California 103
Hill Robert A. (see Nelson, Kristen M.)
Howald, Ann M., and Arnold Tiehm, Noteworthy collection from California ..... 6 and 67
Hughey, Jeffery R., and Kathy Ann Miller, Noteworthy collections from California 154
Jacobsen, Anna L., et al., Post-fire physioecology of endemic chaparral shrub seedlings from Santa Catalina Island, southern California 106
Kay, Kathleen M. (see Smith, Brett)
Keil, David J., Noteworthy collection from California 7
Keil, David J. (see also Nelson, Kristen M.)
LaGrange, John, and Jon P. Rebman, Noteworthy collections from Baja California 151
Laris, Paul S. (see Brennan, Sean)
Mazer, Susan J., CBS President's Report for Volume 65 202
Mazer, Susan J., Graduate student symposium announcement 201
Miller, Kathy Ann (see Hughey, Jeffery R.)
Morin, Nancy, and Steven Serkanic, Noteworthy collection from California 105
Mulligan, Margaret (see Burge, Dylan O., et al.)
Nelson, Kristen M., David J. Keil, and Robert A. Hill, *Chorizanthe aphanantha* (Polygonaceae: Eriogonoideae), a new serpentine-endemic species from the San Luis Range of western San Luis Obispo County, California 184
O'Donnell, Ryan P. (see Cobbold, Stephanie M.)
Olliff-Yang, Rachael L., and Erica J. Case, The effects of leaf litter on germination in the serpentine endemic *Boechera constancei* 159
Parker, V. Thomas (see Burge, Dylan O., et al.)
Patterson, Bob (see Cantley, Jason)
Potter, Daniel, et al., Clarifying the conservation status of northern California black walnut (*Juglans hindsii*) using microsatellite markers 131
Pratt, R. Brandon (see Jacobsen, Anna L.)
Preece, John (see Potter, Daniel)
Rawlings, John (see Hickman, Ken)
Rebman, Jon P. (see LaGrange, John)

Rindi, Fabio, James Sikes, and Leo Shapiro, The identity of *Trentepohlia* algae (Chlorophyta: Trentepohliales) from Point Lobos State Park Reserve and the San Francisco region, California ... 89
Ritter, Matt (see Rossington, Natalie)
Rodrigue, Christine M. (see Brennan, Sean)
Rossington, Natalie, Jennifer Yost, and Matt Ritter, Water availability influences species distributions on serpentine soils ... 68
Ruffley, Megan, Noteworthy collection from Idaho ... 157
Rundel, Philip W., Structure and composition of subalpine confers in the Emerald Lake watershed, Sequoia National Park, California ... 80
Runquist, Ryan Briscoe (see Grossenbacher, Dena)
Safford, Hugh D. (see Bohlman, Gabrielle N.)
Schultz, Leila M., and Frank J. Smith, Novelties in *Musineon* (Apiaceae) and *Orthocarpus* (Orobanchaceae) in the northern Wasatch Mountains of Utah and Idaho ... 60
Serkanic, Steven (see Morin, Nancy)
Shapiro, Leo (see Rindi, Fabio)
Sikes, James (see Rindi, Fabio)
Smith, Brett, and Kathleen M. Kay, Differing patterns of genetic diversity and inbreeding in two rare serpentine monardellas in the northern Sierra Nevada ... 10
Smith, Frank J. (see Schultz, Leila M.)
Smith, Joel (see Grossenbacher, Dena)
Sweet, Lynn C. (see Heintz, James G. C.)
Tiehm, Arnold (see Howald, Ann M.)
Underwood, Emma C. (see Bohlman, Gabrielle N.)
Valderamma, César Garcia (see Burge, Dylan O., et al.)
Vincent, Michael A. (see Foster, Benjamin G.)
Vorobik, Linda Ann, Dedication of Volume 65 to Barbara Ertter ... 1
Whittall, Justen, Editor's Report for Volume 65 ... 204
Yang, Judy (see Potter, Daniel)
Yost, Jennifer (see Rossington, Natalie)
Zika, Peter F., Duncan S. Bell, and LeRoy J. Gross, Two new sedges (*Carex* sect. *Acrocystis*, Cyperaceae) from northwestern Mexico and southern California ... 192

DATES OF PUBLICATION OF MADROÑO, VOLUME 65

Number 1, pages 1–66, published 16 February 2018
Number 2, pages 67–102, published 15 June 2018
Number 3, pages 103–150, published 31 August 2018
Number 4, pages 151–210, published 12 March 2019
